That should work fine.

Thanks for putting it together.

Hello Edward Weed of Yolo DA Neighborhood Court,

Thanks for the phone conversation earlier this week regarding the Davis Shambhala Meditation Center (DSMC) and our Neighborhood Court record keeping.

First of all, we have never heard of Dakota Castro, and so we're pretty sure he never got meditation instruction from DSMC.

Second, we now have a "Neighborhood Court Log." I will attach the tiny spreadsheet that will become the logging sheet for Neighborhood Court from now on. As you can see, we have not had much business. For questions, you can always call me at 753-2846 another Meditation Instructor (MI) or Shambhala Guide (SG). Gene Tashima's phone is 756-5750 and Lyle Larson's is 727-2861.
