

SGV BIO – The Sakyong’s Advisory Panel on Shambhala Environments

EXPERIENCE:

Mr. Vosper has recently launched his new firm, Fresh Space Studio, with the intention to help people envision, design and build projects that enrich the environment and nurture the spirit. For 16 years he was a founding partner of Architecture Incorporated, and before that was the owner of SGV Design. He has over 30 years of experience in the design of a variety of types and scales of projects including custom residential, commercial tenant finish, multi family housing, master planning, and a number of forms of sacred architecture.

Mr. Vosper is also a senior officer in the Dorje Kusung, and has served in that capacity in the Courts of the Druk Sakyong, the Vajra Regent, and Sakyong Mipham Rinpoche. He has been involved in the design and development of a number of the Kalapa Courts, both past, present and future. He is a senior teacher and meditation instructor, and offers public lectures and workshops on creating uplifted environments at Centers around the country.
